October 2025

Dear Parents,

Greetings from **Sacred Heart Academy of Pasig!**

As we journey together through this school year, we remain deeply grateful for the unwavering support and partnership of our parent community. At SHAP, we believe that every achievement, big or small, is a shared victory between home and school. Each activity, whether inside the classroom, on the field, or in special programs, is designed not only to strengthen academic skills but also to nurture the values of faith, discipline, and character that we hold dear. Through this **newsletter**, SHAP Connect, we aim to keep you connected with the meaningful experiences of your children. Here, you will find highlights of recent events, moments of pride, and stories of growth that reflect the heart of our mission: to guide our Sacredians into becoming responsible, compassionate, and faith-driven individuals.

**Together in nurturing,
SHAP CONNECT**

During the fair, some of the country's leading universities and institutions were welcomed to our campus. They introduced the different programs and opportunities available to our students, while also sharing practical guidance on how to prepare for college life.

This event was not only informative but also empowering, it opened doors for our students to explore their options, ask questions, and be inspired to dream boldly about their future.

More importantly, it reminded them that they are not alone in this journey; their teachers, guidance counselors, and families will walk with them as they take the next steps toward their chosen paths.

CAREER FAIR/TALK

Together with **GuidanceNGO**, SHAP successfully held a **Career Fair** and **Career Talk** for our senior high school students. Esteemed universities and institutions visited our campus, providing valuable guidance and advice to our Grade 11 and 12 students as they prepare for their future paths. This meaningful event has helped open doors of opportunity and inspired our Sacredians to dream bigger.

SIT-DOWN LUNCH

Sacred Heart Academy of Pasig also held its first **Sit-Down Lunch** with Grade 6 – Section E and Grade 7 – Section A. This activity was designed to foster courtesy, discipline, and proper dining etiquette values that extend beyond the classroom and into everyday life.
