FIESTABIZ 2026: The Marketplace of Young Minds

S.Y. 2025-2026

004-01-26

Congratulations, Young Entrepreneurs!

Congratulations to all our Grade 12 students for the successful execution of **FiestaBiz 2026: The Marketplace of Young Minds!**

Our school also extends heartfelt gratitude to the parents and guardians who generously supported the bazaar, especially those who visited and participated last January 16, 2026. Your presence, encouragement, and continued support played a vital role in the success of the event and in nurturing the entrepreneurial confidence of our students.

Academic Spotlight

The Marketplace of Young Minds

Sacred Heart Academy of Pasig remains committed to providing students with meaningful learning experiences that extend beyond the classroom. As part of this commitment, our Grade 12 students successfully organized FiestaBiz 2026: The Marketplace of Young Minds, a student-led entrepreneurial bazaar held **last January 14, 15, and 16 at the SHS Hall.**

FiestaBiz 2026 showcased a wide range of student-developed products and services, including food items, novelty goods, clothing, and other innovative offerings. Each concept was carefully planned and executed based on feasibility studies and business plans prepared by our Grade 12 students.

More than just a bazaar, FiestaBiz 2026 highlighted creativity, teamwork, and practical business skills empowering students to apply their knowledge in a real-world setting and bringing learning to life through entrepreneurship.

POWERING THE FUTURE THROUGH SCIENCE, MATHEMATICS, & INNOVATION

Highlights

Sacred Heart Academy of Pasig successfully celebrated Science and Math Week from January 19 to 23, 2026, with the theme **“Powering the Future through Science, Math, and Innovation.”** Spearheaded by the Science and Math Department, this annual event aimed to strengthen our students’ scientific curiosity, analytical thinking, and innovative skills, while fostering camaraderie and teamwork among learners.

Throughout the week, our students participated in meaningful and engaging activities designed to deepen their appreciation of **how Science and Mathematics influence technological advancement and everyday life.** These activities encouraged critical thinking, creativity, and collaboration, which are the essential skills in preparing our students for future challenges in an ever-evolving world.

Science and Math Week 2026 was a meaningful celebration of learning and innovation, empowering our students to explore, create, and envision a future driven by knowledge, discovery, and purpose.

Highlights

As part of the celebration of Sci-Math Month 2026, our **Grade 11 students** conducted a special activity presentation to our **Grades 3 to 5 students** entitled **"The Real World: Sci-Math Behind It."** This presentation highlighted the students' understanding of scientific and mathematical concepts through creative models and demonstrations applied to real-life situations. The activity showcased how classroom theories translate into practical applications, reinforcing the relevance of Science and Mathematics beyond textbooks.

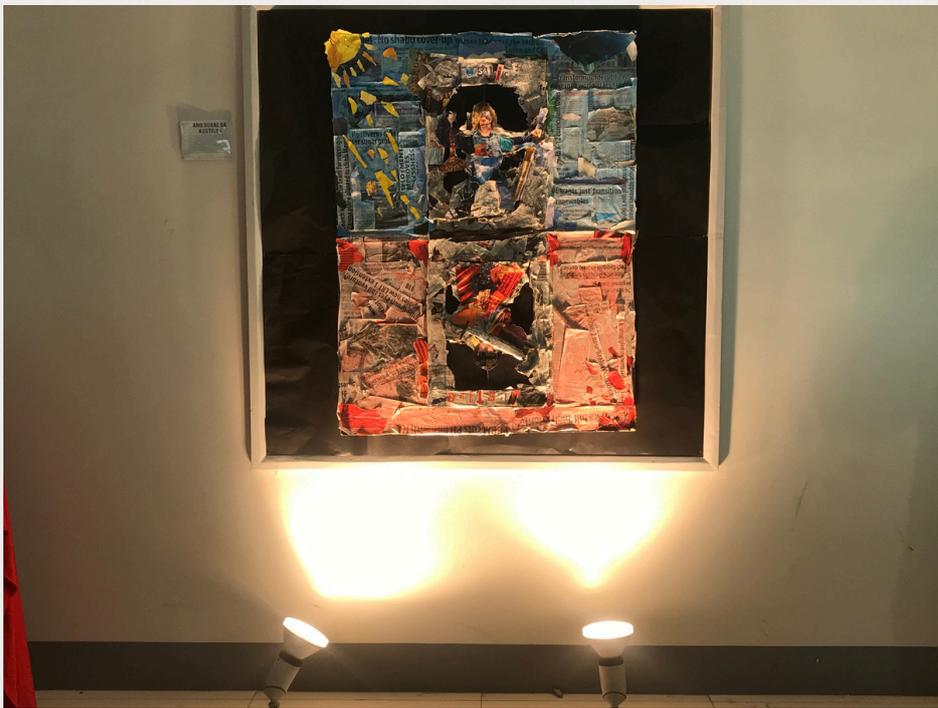

THE CONTEMPORARY ART EXHIBIT

S.Y. 2025-2026

004-01-26

Highlights

We proudly congratulate our Grade 12 students on the successful presentation of "The Contemporary Art Exhibit," a performance task in the subject Contemporary Philippine Arts from the Regions (CPAR) at Sacred Heart Academy of Pasig.

Through this exhibit, we witnessed our students' deep understanding and growing appreciation of Contemporary Visual Arts, expressed through self-made artworks in collage, assemblage, installation, and mobile art. Each piece reflected not only creativity and skill, but also thoughtful exploration of ideas, processes, and personal inspiration.

THE CONTEMPORARY ART EXHIBIT

S.Y. 2025-2026

004-01-26

Highlights

The exhibit became a dynamic learning space as students confidently articulated the concepts behind their works during the gallery walk and artist explanations. This authentic platform allowed them to engage viewers, share their artistic journeys, and bring contemporary art closer to real-life experience.

Health & Safety

Sacred Heart Academy of Pasig remains steadfast in its continuous commitment to providing a clean, safe, and healthy learning environment for all students.

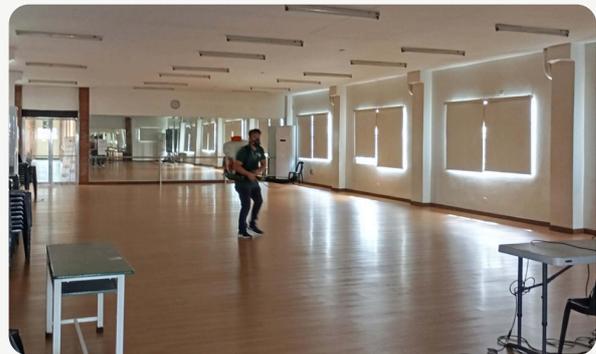

As part of our commitment, a school-wide **fumigation was successfully conducted last January 18, 2026**. This proactive measure aims to help maintain cleanliness, prevent the spread of pests and diseases, and ensure a safe space conducive to learning.

Through our regular sanitation efforts and preventive initiatives, our school continues to prioritize the health, safety, and well-being of the entire school community.

Sacred Heart Academy of Pasig remains dedicated to upholding a nurturing and secure environment where our students can learn and thrive
